Markets & Food

The New Hampshire Department of Agriculture, Markets & Food (NHDAMF) is a USDA Accredited Organic Certifier.

The NHDAMF incorporates the National Organic Program (NOP) Rules when conducting certification in this state.

Verification of compliance with the NOP Rules is achieved by a thorough review of a producer's organic farm plan, production record-keeping, and through site inspection visits. Interested parties should contact the Bureau of Markets for more information.

To access the NOP Rules and related information visit this website:
