

22F-20: Fall Grants Package #2 (Barro)

Whereas Harvard's student groups provide valuable services to the undergraduate community, and

Whereas the Finance Committee is committed to allocate grants in support of student groups,

Be it resolved that the Undergraduate Council allocates \$44,089.84 in cash and \$4,545.00 in HUDS vouchers from the Grants fund to 214 recipient projects, as shown in the break-down below, and

Be it further resolved that the distribution of these funds be contingent upon the receipt of Completed Project Forms describing their related projects' successful completion, and

Be it further resolved that the Finance Committee be authorized to amend any allocation appropriately in response to new information provided on these forms, but in no case to more than 150% of the allocation amount listed herein, and

Be it further resolved that any allocation to a recipient project whose applicant fails to file a Completed Project Form before the deadline set by the Finance Committee shall be voided, unless the applicant's failure to file on time is due to an error by a UC member.
